Read the text and answer the questions according to it.

There is an island between Myanmar and Indonesia. It is called North Sentinel Island. In fact, the Sentinelese people know almost nothing of the outside world. They have never seen a cell phone, a car or even a book. It is believed that the Sentinelese first came to the island around 60,000 years ago from Africa. Over the years, people from the outside have tried to visit the island, but each time they have been met by attacks. The Sentinelese do not welcome any kind of contact with the outside world. Because of this, we know little about them. We know nothing about their culture, their language or even how many the population of the island is. There could be only 40 or as many as 400.

The island is under the control of India now and the Indian Navy maintains a 5-kilometer zone around the island, which makes it practically impossible for anyone to get to the island.

27. All the following statements are FALSE, EXCEPT . . . .

- A) *The Sentinelese people settled down in the island about 60 centuries ago.*
- B) *Scientists carried out much research on the Sentinelese people.*
- C) *People are in good relationship with the Sentinelese people.*
- D) **The Sentinelese people may have been originated from another continent.**

In order to do this task, one has to read the text attentively. The answer D is a correct answer because in the text it is said, "**It is believed that the Sentinelese first came to the island around 60,000 years ago from Africa**".

**Correct answer: D**

28. According to the passage, why do people know little about the Sentinelese?

- A) *They are always attacked by sailors.*
- B) **They are not friendly to outsiders.**
- C) *They speak difficult French.*
- D) *They live in far side of the island.*

To do this task, one should read the text carefully. The answer B is correct because in the text it is stated, "**Over the years, people from the outside have tried to visit the island, but each time they have been met by attack**". This proves that the Sentinelese people are not friendly to other people.

**Correct answer: B**

29. According to the passage which country rules North Sentinel Island now?

- A) *Africa*
- B) *Myanmar*
- C) *Indonesia*
- D) **India**

In order to do this task, one should understand the main points of the text. In the question it is asked which country rules North Sentinel Island now. In the text it is said that this island is under control of India. So, the answer D is correct.

**Correct answer: D**

30. What is another factor that makes this island inaccessible to outsiders?

- A) *The language of this people*
- B) *The Indian attackers*
- C) **The Indian military ships**
- D) *The number of visitors*

To do this task, one should understand the main points of the text. In the question it is asked what is another factor that makes this island inaccessible to outsiders. In the text it is said that the Indian Navy maintains a 5-kilometer zone around the island, which makes practically impossible for anyone to get to the island.

**Correct answer: C**
